

“VULCAN ACCEPTED [OUR FRYING]
CHALLENGE AND THE RESULT
IS A GAME CHANGER”

—LARRY JONES

V.P. Operations Integration at Captain D's, a 500-plus-site seafood QSR chain restaurant.

Larry has seen the increased work flow and storage efficiencies that Vulcan's CEF series countertop electric fryer enables in a busy kitchen. He states, "Our last two new store openings have produced back-to-back record sales for our brand. The Vulcan CEF units are instrumental in those accomplishments."
