PRODUCTS

PIZZA STONE COLLECTION

American Metalcraft has expanded its pizza collection with pizza stones, pressed-wood pizza rocker knives and stainless-steel and black stands. The ceramic pizza stones, made of dishwasher-safe cordierite, allow operators to keep pizza warm in heated display cases.

amnow.com

ELECTRIC SALAMANDER

Hatco's Electric Salamander features eight programmable heat levels, a touch control panel and an adjustable hood, allowing customers to grill or reheat foods easily.

hatcocorp.com

EFFICIENT CONVECTION STEAMER

Vulcan's C24EA LWE convection steamer is designed to use 90 percent less water, which not only saves water but also reduces scale build-up and saves energy. The Energy Star-rated product is available as a countertop model.

GLUTEN-FREE LAYER CAKE

Operators who would like to offer a gluten-free cake option can try two new cakes from The Original Cakerie's Inspired By Happiness lineup. The gluten-free cakes come in two flavors: Dreamin' of Chocolate Dark & White Chocolate Layer Cake

and Dreamin' of Strawberries White Chocolate Shortcake. Both cakes use real whipping cream and Belgian chocolate.

GRAB-AND-GO BREAKFAST

Enhance breakfast menus with Johnsonville's heat-and-serve bias-sliced Andouille Sausage. The fully cooked sausage features Cajun-style seasonings and can be used to create an Andouille Breakfast Sandwich by adding it to a bagel, biscuit or croissant topped with egg, cheese and Andouille Sausage slices.

THIN WASTE BASKET

The thin profile of Rubbermaid Commercial Products' Slim Jim Step-On container reduces the space needed to manage waste. The hands-free device features a built-in lid dampener that minimizes noise and a hinge inside the container that helps prevent wall damage. The waste receptacle is available in five sizes with front-step or end-step styles.
