AND YOU KNOW IT’S GOING  
TO WORK RIGHT.”

—PATRICK MORROW

Creator of “The Yandawich,” *Restaurant Hospitality’s* 2013 Best Pork Sandwich in America.

Chef Morrow has seen the difference the PowerFry™ makes in his kitchen. “It’s given us better product in general. You have a more consistent, crispier product with a more even fry,” he reports. Along with increased production and energy efficiency, Patrick appreciates the direct interaction he’s had with the fryer’s engineer.
